

MPI Lucinda

19m Alloy Catamaran

Multi-purpose, shallow-draft hulled catamaran. Twin MAN 1,200hp engines and water-jet propulsion provide excellent performance (24kn) and low fuel consumption (260l/hr).

The superstructure is attached with A/V mounts to minimise noise and vibration within the passenger saloon and reduce the fatigue of crew and technicians. The vessel configuration suits construction and O&M roles, with a large forward working deck and crane for self-loading from quay.

The vessels are fitted with a 690V 148kVa 4 star delta generator/transformer set particularly suited to construction and commissioning roles.

1.8m significant wave transfer capability ideal for Round 1-2 sites.

General Information

19m Alloy Catamaran

Builder	South Boats Special Projects Ltd
Year of Build	2014
Construction	Marine Grade Aluminium
Length OA	19m
Beam OA	7.25m
Draft	1.2m
Tonnage	40 tonnes
FWD Deck Space	28m ²
AFT Deck Space	19m ²
Cargo	10 tonnes
Registration	UK Registry of Shipping & Seamen
Reg. Port	Middlesbrough
Certification	UK Maritime & Coastguard Agency Small Commercial Vessel Certificate Category 2, 60nm from safe haven 12px, up to 3 crew
Machinery	Twin MAN D2862 LE432 1,200hp @ 2,100rpm Twin ZF 2050 Series 1:765:1 Reduction Twin Rolls Royce FF600 Water-Jets ONAN MDKBN 13.5kW, 50Hz @ 1,500rpm
Service Speed	24kn
Service Fuel Use	260/hr Total
Fuel Capacity	6,000l
Endurance	15hrs @ 22kn, 350nm
Official Number	919598
Call Sign	2HAM2
MMSI	235102035
